

NDIS **RESILIENCE** FORUMS

We acknowledge that the National Insurance Disability Scheme (NDIS) can be a difficult process to manage, in particular for first time users. Our Forums aim to **equip** carers supporting recipients of the NDIS with the knowledge, skills and strategies to effectively navigate the system. Do you have a positive story to share with fellow carers? We want to hear from you!

Join us at our next Forum if you wish to:

Hear from
experienced
carers sharing tips
on navigating the
NDIS system

Share your own
