

ATTENTION: BUSINESS SERVICES OPPORTUNITIES

BE INVOLVED IN THE EDUCATION, CAREER DEVELOPMENT AND VOCATIONAL TRAINING OF YOUNG PEOPLE IN YOUR SCHOOL COMMUNITY

Students enrolled in a VET Business Services subject, need to do a mandatory work placement in year 11 and year 12. This allows students to develop self-confidence, skills and understandings that will assist them in their transition to meaningful work.

Southern Sydney Business Education Network (SSBEN) are currently recruiting businesses to host students from Menai High School.

Host employers are required to:

- Provide a safe and welcoming environment
- Provide supervision and training for 1 week
- Provide duties which are relevant and suitable

If you work in an office environment or own a business, you could provide an opportunity for students. Family, friends and business contacts are welcome.

- Insurance provided
- Fully supported by SSBEN and the school

SSBEN arrange over 5,000 work placements each year and work with 70 schools in the Sydney metropolitan area.
